

South Eastern Oxford County Democrats
Oxford Hills Area Democrats
Hartford. Sumner. West Paris. Paris. Waterford.
Norway. Otisfield. Oxford. Hebron. Buckfield

Meeting August 24, 2025, Hebron at 6:00 pm

Meeting Report

The meeting was chaired by Acting Vice Chair Mark James. There were approximately 15 people attending plus guests.

We had two guests attend and speak to us about their agendas. Tucker Favreau is a democrat running for Susan Collins senate seat. Jason Cherry, a democrat running for Governor.

We still have not elected a new Chairperson or co-chairs. Mark James is serving as Acting Vice Chair, Robin Harris was added to the Communications Committee to serve with current members Mark James, Skip Green and Misty Yates.

No new members named to the Events Committee, current members Donna McCarraher, Carol Allen, Joan Beal and Carol Rothenberg. Since the last meeting the Events committee held a meeting to discuss plans for setting up at the Oxford County Fair. We also did a test set-up at Brownfield Day and marched in their parade on August 9th.

The Communications Committee is making progress on the website, will be available any day now.

We have an anonymous donor that will match all recurring donations to the Oxford County Democrats, they will match \$600 per month for the next 14 months of the 2026 election cycle in November. Look for this info on the website, soon!

The "No on One" Campaign has started. Skip Green was elected to head up the project. Looking for people to knock on doors and get the word out before the referendum vote this November 4.

The Events Committee is working on set-up for the Oxford County Fair September 10 through 13. Also working on a scheduling process for volunteers to manage the booth and candidates to attend to talk with fairgoers.

We planned to set up at the Norway Arts Festival, found out just after this meeting that it was full, need to apply in early spring to get a space. (So I stuck a note in this report for future reference).

We are still looking for venues for future meetings. The next meeting will be in Waterford at the Town Office/Community Room, 366 Valley Road, Waterford. This is a Saturday, time of meeting will be 2:00 p.m. Use the front door.

Respectfully submitted,
Donna McCarraher
