

South Eastern Oxford County Democrats
Oxford Hills Area Democrats
Hartford. Sumner. West Paris. Paris. Waterford.
Norway. Otisfield. Oxford. Hebron. Buckfield

Meeting November 12, 2025, Norway at 6:00 pm

Meeting Report

Meeting was called to order at 6:13 by Chair, Donna McCarraher. There were 12 people in attendance.

Old Business:

We celebrated our success on the No on One campaign. We discussed collecting No on One signs and storing them for future use (as bases for protest signs and using the wire stands for future signs). Several people offered storage, Misty, Joan, Skip, Brenda Gould. We will post a message on the website to remind people to collect any leftover signs they see and how to get them to us. Our first meeting in the new office was accompanied by pizza and sweets and a *brief* tour. Thank you to Mark for providing pizza and drinks.

In regards to the food insecurity issue discussion we started last meeting, it was mentioned to have a list of food resources on our website.

New Business:

We welcomed Camden Colby as our new part-time hire. We discussed looking into new ways of getting in touch with the public, i.e. Instagram, Tik Tok, Norway public TV access for Camden to look into for us.

We talked about suggestions for local candidates, several names were thrown out there for members to touch base with to see if they are interested in running. (John Bell, Valerie Wilfong, Robert Flinch, Nick Setare, Dennis LaJoy, Cory Castleman-Ross). Also mentioned promotion theme: Democrats are interested in making a difference, feet on the ground 2026 election (*something like that*).

Meeting was adjourned at 7:30 p.m.

Respectfully submitted,

Donna McCarraher

NOTE: to access the new "space", there is a stairwell on Main Street, the door is to the left of the main entrance to Fare Share Market, go upstairs, turn left then right to the common area. Our actual office is in the back right corner of the building. To access from the back parking lot, there is a "shed-like" structure that houses the back stairs that wind up to the second floor and enter the common area directly. There is also an elevator in this structure which requires a key, should
