

A PERSONAL REQUEST FROM THE CHAIR

Dear Friends and Neighbors,

I'll be straight with you. Democrats have lost ground in Oxford County and in rural communities across Maine. And people have every reason to be frustrated. For too long, working families have felt ignored while politicians chased corporate donors, party insiders, and the people with the deepest pockets.

Meanwhile, folks here are working harder than ever just to stay afloat.

Families are being crushed by healthcare costs. Grocery bills keep climbing. Small farms and local businesses are struggling to survive against giant corporations swallowing everything up. And too many people feel like nobody in politics is fighting for them anymore.

That's why we're building something different in Oxford County.

We're building a Democratic organization rooted in this community — focused on working people, not corporate interests. We want candidates who actually know this county, who understand what families here are going through because they live it too, and who are ready to fight like hell for our communities.

But we cannot do it without grassroots support from people like you.

Right now, we have a special opportunity: every recurring donation to the Oxford County Democratic Committee is **being matched dollar-for-dollar** up to \$2,000 through November.

That means:

- ★ A \$10 monthly donation becomes \$20.
- ★ A \$25 monthly donation becomes \$50.
- ★ A \$50 monthly donation becomes \$100 **every single month.**

Oxford County
Dems ActBlue

And once this matching fund is gone, it's gone.

Your recurring donation will help us recruit local candidates, organize year-round in rural communities, support volunteers, and build the kind of county party that can actually compete and win again.

We don't have corporate money backing us.

We're relying on neighbors helping neighbors.

If you believe Oxford County deserves leaders who will fight for working people instead of wealthy insiders, I'm asking you to start a monthly contribution today while your gift can still be doubled.

Thank you for standing with us and for everything you do for this community.

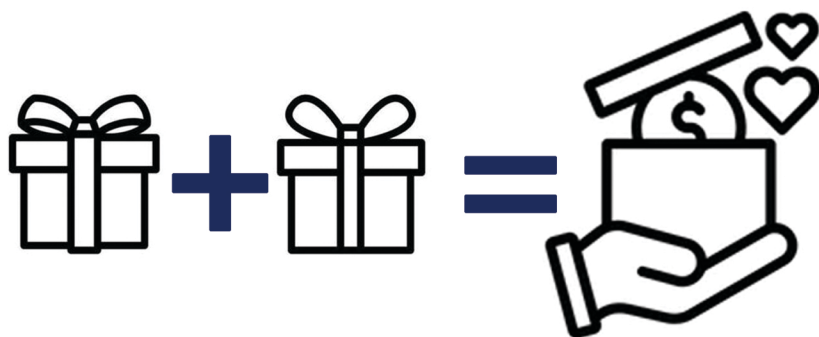

With gratitude,

Bruce Bryant

Chair, Oxford County Democratic Committee

P.S. — The matching program only runs through November, and we are working toward a hard \$2,000 cap. Please don't wait to set up your recurring gift while every dollar can still be doubled. Visit oxforddems.me today or mail a check to:
